- 5.6 Davis Bacon Wage Rate Documentation: Conduct interviews, review payrolls and provide all administrative support required to meet State and Federal Davis Bacon Wage Rate Requirements.
- 5.7 Virginia Department of Transportation Project. It is the policy of the Virginia Department of Transportation (VDOT) that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 will have the maximum opportunity to participate in the performance of federally funded Consultant contracts. A list of Virginia Department of Minority Business Enterprise (DMBE) certified DBE firms is maintained on the DMBE web site (<http://www.dmb.state.va.us/>) under the DBE Directory of Certified Vendors. Consultants are encouraged to take all necessary and reasonable steps to ensure that DBE firms have the maximum opportunity to compete for and perform services on the resultant contract, including participation in any subsequent supplemental contracts. If the Consultant intends to subcontract a portion of the services on the Project, the Consultant is encouraged to seek out and consider DBE firms as

potential Sub-Consultants. The Consultant is encouraged to contact DBE firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a DBE firm whereby the DBE firm promises not to provide services to other Consultants is prohibited. VDOT believes that these services support 10% DBE participation.

In accordance with the Governor's Executive Order No. 33, VDOT also requires utilization of Small, Women and Minority (SWaM) Businesses to participate in the performance of state funded Consultant contracts. A list of DMBE certified SWaM firms is maintained on the DMBE web site (<http://www.dmb.state.va.us/>) under the SWaM Vendor Directory link. Consultants are encouraged to take all necessary and reasonable steps to ensure that SWaM firms have the maximum opportunity to compete for and perform services on the resultant contract, including participation in any subsequent supplemental contracts. If the Consultant intends to subcontract a portion of the services on the Project, the Consultant is encouraged to seek out and consider SWaM firms as potential Sub-Consultants. The Consultant is encouraged to contact SWaM firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a SWaM firm whereby the SWaM firm promises not to provide services to other Consultants is prohibited.

49 CFR Part 26 requires VDOT to collect certain data about firms attempting to participate in VDOT approved and locally administered contracts like this Project. This data must be provided on the attached Firm Data Sheet. (Attachment 3).

VDOT is also required to capture DBE and SWaM payment information on all professional services contracts. As this Project is both state and federally funded, the successful Consultant awardee shall complete VDOT form C-63 for this Project on quarterly basis.

Any DBE or SWaM firm must become certified (with DMBE) prior to the submission of an Offeror's response. If a DBE or SWaM firm is the Consultant awardee, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE or SWaM Sub Consultants. DBE or SWaM prime Consultants are encouraged to make the same outreach efforts as other Consultants. DBE or SWaM credit will be awarded only for work actually being performed by them. When a DBE or SWaM Consultant subcontracts work to another firm, the work counts toward DBE or SWaM goals only if the other firm is itself a DBE or SWaM. A DBE or SWaM Consultant awardee must perform or exercise responsibility for at least 30% of the total cost of its contract with its own force.

DBE or SWaM certification entitles Consultants to participate in VDOT's DBE and SWaM programs. However, this certification does not guarantee that the firm will obtain VDOT work nor does it attest to the firm's abilities to perform any particular work.

Business Opportunity and Workforce Development (BOWD) Center - The BOWD Center is a VDOT developmental supportive services program and partnering initiative funded by the Federal Highway Administration (FHWA) for selected DBE firms of various skill and competence levels interested in entering, enhancing or expanding highway contracting opportunities with prime Consultants. The partnering initiative between prime Consultants and BOWD DBE firms provides the opportunity for the further development of DBE firms through performance on contracts and guidance from prime Consultants. The intent of this partnering initiative is to increase capacity by perfecting existing skills and knowledge, expanding into new work areas, and prime Consultant joint venturing with DBE firms. The Offerors are encouraged to achieve all or a percentage of the required DBE participation/goals determined for this Project by the utilization of BOWD approved firms. To assist Offerors in taking advantage of this opportunity for utilization of approved BOWD firms, please contact the BOWD Center for additional information, details, resources and support. For further information on the BOWD Center and to view the DBE profiles, go to www.virginiadot.org/business/BOWD.asp . The BOWD Center can be contacted at (804) 662-9555 or via email to BOWDCenter@vdot.virginia.gov.

- 5.8 The County will require the Consultant to use e-Builder for the administration of this project. The County will provide the Consultant two (2) licenses for their use and provide training for the Consultant. Basic training will be required and provided by the County at no cost to the Consultant. This level of training is at the recommendation of e-Builder and should provide proficiency. If the Consultant does not demonstrate proficiency with the software following this training, additional training required for complete proficiency would be at the Consultant's cost. Additional licenses may also be purchased at the Consultant's cost. Contact e-Builder for further information at www.e-builder.net or 1-800-580-9322.

The rights and obligations of the Consultant are personal and may be performed only by the Consultant. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns.

8.21 Termination

Subject to the provisions below, the Contract may be terminated by the County upon thirty (30) days advance written notice to the Consultant; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

The County may terminate this Contract for convenience at any time in which the case the parties shall negotiate reasonable termination costs.

B. Termination for Cause

In the event of Termination for Cause, the thirty (30) days advance notice is waived and the Consultant shall not be entitled to termination costs.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted by law, the Consultant shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

8.22 Contractual Disputes *

The Consultant shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, return receipt requested, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Purchasing Agent shall

The Purchasing Agent's decision shall be final unless the Consultant appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

The Consultant shall not use, willingly allow, or cause such materials to be used for any purpose other than performance of all Consultant's obligations under the resulting Contract without the prior written consent of the County. However, the Consultant may retain file copies which cannot be used without prior written consent of the County. The County agrees that the Consultant shall not be liable for damages, loss, or injury resulting from the future use of the provided documents for other than the project specified, when the Consultant is not the firm of record.

8.26 Submissions

All Project correspondence, design/review documents, reports etc., prepared by the Consultant shall be distributed to the County's Construction Manager for each major phase and sub phase of the Project in the quantities as directed. Within thirty (30) days of Project completion of each phase submit

a Project completion report with Project close out documents to the County's Construction Manager.

8.27 Responsibility for Claims and Liabilities

The County's review, approval, or acceptance of, or payment for, any services required shall not be construed to operate as a waiver by the County of any rights or of any cause of action arising out of the Contract. The Consultant shall be and remains liable to the County for the accuracy and competency of plans, specifications, or other documents or work and Consultant is responsible to the County for any costs incurred resulting from any errors, acts or omissions in the performance of any services furnished.

8.28 Severability *

In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

8.29 Governing Law/Forum*

This Agreement shall be governed and construed in all respects by its terms and by the laws of the Commonwealth of Virginia, without giving effect to its conflicts of law's provisions. Any judicial action shall be filed in the Commonwealth of Virginia, County of Loudoun. Consultant expressly waives any objection to venue or jurisdiction of the Loudoun County Circuit Court, Loudoun County, Virginia. Consultant expressly consents to waiver of service of process in an action pending in the Loudoun County Circuit Court pursuant to Virginia Code Section 8.01-286.1.

8.30 Notices

All notices and other communications hereunder shall be deemed to have been given when made in writing and either (a) delivered in person, (b) delivered to an agent, such as an overnight or similar delivery service, or (c) deposited in the United States mail, postage prepaid, certified or registered, addressed as follows:

8.31 Licensure

To the extent required by the Commonwealth of Virginia (see e.g. 54.1-1100 *et seq.* of the Code of Virginia) or the County, the Consultant shall be duly licensed to perform the services required to be delivered pursuant to this Contract.

8.32 Authority to Transact Business in Virginia *

A Consultant organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into a Contract with the County pursuant to the Virginia Public Procurement Act 2.2-4300 *et seq.* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

8.33 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

8.34 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its sub-Consultants or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon

its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Consultant has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the Consultant due to an event of force majeure.

8.35 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Warranties, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

8.36 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

8.37 Workmanship and Inspection

All services provided under this Contract shall be performed in a skillful, workmanlike and professional manner. The Consultant and its employees shall be professional and courteous at all times. The County may, in writing, require the Consultant to remove any employee from work for reasonable cause, as determined by the County. Further, the County may, from time to time, make inspections of the services performed under this Agreement. Any inspection by the County does not relieve the Consultant of any responsibility in meeting the Agreement requirements. Consultant employees that have been removed at the direction of the County shall be replaced within seven calendar days after County notification.
